Note from the Principal

Hello Bennett Families,

I hope this newsletter finds you enjoying some wonderful Spring weather! We are so happy that we can enjoy it together this year. Thank you again for all of your partnership in helping us make this the best year that we could given the circumstances. It is so hard to believe that we only have less than a month left of school! Next week is Teacher Appreciation Week. Look for information to come home about how we are celebrating our staff next week. We know that you all served to support your child's learning this year more than ever so we also want to say how much we appreciate you. This month we will also be looking forward to our 5th grade promotion and exhibition. More to come! Stay safe and as always, let me know if you need anything or have any questions.

Take care.

BCO News

Happy Zipper Day from the Bennett Community Organization! Your PTO, the BCO! I am Eric, your BCO Co-President. "Look what's coming down the road in Busytown...ambulance, apple car, bananamobile, bugdozer...yogurt car, and a zippermobile! Fasten your seatbelt!" It's been years since I read that book 45,862 times to Elena, and I still have most of it memorized. What did I do at work today? No idea.

We hope that April has treated you and your family well. As a reminder, we have the following events coming up as the school year starts to wrap up!

International Day is TOMORROW, April 30th! I know that we have some great presentations lined up for the students! Be sure to ask them what countries they learned about when they get home from school on Friday!

Next week, May 3rd through May 7th is staff appreciation week! Please check out the links in this Bennett Thursday Note for ways that you can help support the staff!

Additionally, during the week of May 3rd, make-up Eco Week activities for the fifth graders will be held! More details will be revealed to the fifth graders soon! I know they will have an amazing time!

Thank you!

Eric Bowman

Tech Tips for a Successful Parent-Teacher Conference on Google Meet:

Be on the lookout for specific times, details, and links from your teacher about upcoming student conferences on Google Meet! This year's conferences will be held remotely, so to ensure the most successful conference, please keep these tips in mind while planning how you will meet with your teacher. While we've all learned and adapted to our remote world, there are some things that may work differently than you might expect due to how schools need to address privacy laws. Thanks for your support and understanding throughout this year - we've almost made it through!

1. We suggest using a laptop or desktop with a webcam if possible. Mobile devices and dialing in will work as well, but are more limiting.
2. A microphone is necessary for back and forth communication; and a camera is suggested for a more personal meeting.
3. On a desktop or laptop, we recommend using [Google Chrome](#) to access the Meet to avoid problems with compatibility.
4. If you are using a mobile device (smartphone or tablet), the device may require you to download Google Meet before allowing you to join. Downloading the app prior to the conference will ensure you will have the full scheduled time to talk about your child's progress.
5. Because PSD uses Google Workspace for Education which has enhanced privacy restrictions, **you will be asked to sign on to a Google account when logging on to the Meet.** Google for Education does not allow a person to be admitted anonymously like other versions of Google Meet. You may use your own personal Google account, or your child's PSD Google account for this Meet. Please wait patiently to be admitted in order to give time for the previous conference to be completed. If you need your child's PSD login information, please contact your classroom teacher so they can send you your child's username and password.
6. If you have technology concerns before the conference, feel free to contact your classroom teacher or email Mr. Woolner (kwoolner@psdschools.org).
