

**Bennett Elementary School  
An International Baccalaureate School**

**“An internationally minded community of learners who work to make a difference in our world.”**

**2019-2020 Parent/Student Handbook**

**1125 Bennett Road  
Fort Collins, CO 80521  
(970-488-4750)**

**The purpose of this handbook is to provide information, rules, and procedures regarding Bennett Elementary School, an IB World School. Poudre School District policies and regulations (including but not limited to those in the District's Student Rights & Code of Conduct booklet) apply at Bennett and supercede our rules and procedures if there is any inconsistency or conflict. Although this handbook may reference certain District policies and regulations, the actual language of the referenced policies and regulations supercedes the language in this handbook.**

# **Bennett Elementary School, an IB World School**

## **Academic Information**

### **Homework Policy**

Homework is one strategy for extending the school day and increasing the amount of time students spend learning. Homework is a positive strategy for increasing student achievement when supervised by an adult.

The amount of homework that should be assigned is a matter of professional judgment for the staff and based on the developmental needs of the students. Homework is most effective when it is meaningful to the student and meets the individual needs of the students.

Homework will not be prepared in advance for students who are absent due to vacations. Homework may be requested for a student who is absent more than two days due to illness. Please call no later than 10:00 a.m. to request homework to be picked up after 3:30 p.m. in the office.

### **Silent Sustained Reading at Home**

In addition to regular homework, ALL students at Bennett are assigned between 20 to 30 minutes of reading each evening. Reading is the key fundamental skill that builds success in all academic areas. Like any athlete practicing a sport to improve, students must practice reading to improve their skills as well. Each student will have an individual reading goal, worked out with his/her teacher, for each quarter. We ask parents of students who are not independent readers yet to read to their children for 20 minutes each evening.

### **Accelerated Reader**

One of the ways we monitor student reading is with the Accelerated Reader program. Accelerated Reader provides teachers and parents with an easy and effective way to monitor all forms of guided reading practice. With Accelerated Reader teachers are able to target instruction and ensure success for every student, regardless of level, from emergent reader to college prep!

Accelerated Reader helps us focus attention on careful reading of books, which improves students' critical-thinking skills and builds an intrinsic love of reading. Teachers using AR report higher attendance, fewer discipline problems, and improved attitudes about school. Using AR, we can continuously guide students to appropriate books and curriculum within their zone of proximal development (ZPD).

## **Assessments**

During the school year, we will utilize a variety of assessments to support learning for each student. Some of these assessments include: MAPS tests (reading and math), CMAS tests (Colorado Measures of Academic Success - reading, science, writing, and math in grades as determined by the state), DRA2 (for literacy), STAR (literacy and math) and weekly/unit tests as applicable to the curriculum. All students in second through fifth grade will take MAPS tests in fall, winter, and spring. The third, fourth, and fifth grade CMAS tests will be given at designated times during February, March, and/or April as determined by the state requirements and PSD. See school Website for testing calendar.

## **Parent-Teacher Conferences**

Parent/Teacher Conferences can be scheduled any time during the school year. A conference is scheduled at the end of 1st quarter. They are not restricted to fall times only. Call the teacher whenever you believe a conference is needed. Some suggestions for parents before and during conferences are:

- Be prepared with questions.
- Have concrete examples of specific concerns and compliments.

When teachers are having conferences with all families, time is somewhat limited. However, if you wish to discuss your child's needs in greater detail, you may call for follow-up information or set another conference time. Other conferences may be arranged whenever a need arises by the parent or teacher.

## **Student-led Conferences**

A student-led conference is the student's opportunity to demonstrate self-awareness and build leadership skills by presenting artifacts and examples of their learning throughout the year both in the form of accomplishments and goals for the future. Students assume responsibility for all components of their conference—planning, conducting, and evaluating. The child is truly the “star” in this process. The role of the parent is to be present, positive, encouraging, and celebrate. Prior to the conference, the teacher guides the student in creating and practicing their presentation. During the conference, the teacher is present in the room only as a supportive observer. Student-led conferences are held in May for grades K-4. In 5th grade, the PYP Exhibition serves as each student's opportunity to demonstrate his/her growth and accomplishments. Parents receive a notice about their child's student-led conference or PYP Exhibition.

# **General Information**

## **Attendance**

### **Absences**

When your child is absent from school for illness or for other reasons, you should inform the school by 8:30 a.m. by calling the attendance line voice mail at 488-4751. If we do not receive a call by 8:30 a.m., the school will be calling a parent to check on the reason for the absence. Your thoughtfulness in calling helps school personnel account for each child and is very much appreciated.

If your child is tardy, he/she must report to the office and check in immediately upon arrival at school. If you know ahead of time that your child will be tardy, please leave a message on the attendance line at 488-4751 prior to 8:30 a.m.

Refer to district policy “Student Absences & Excuses” (JH) for further information.

### **Attendance**

Children are required to attend school every day unless excused. Regular school attendance not only helps build good work and study habits, but also greatly benefits the student in relationship to the learning process. Students can never make-up a day he/she has missed even though he/she may go over the assignments that were presented. The discussions and experiences that take place in the classroom are often more valuable than the written material. It is hoped that every effort will be made to schedule dentist, doctor and other appointments outside of the school day, if at all possible. If class must be missed for such purposes, please send advance written notice to the classroom teacher and call the attendance line. Please do not schedule family vacations during the school year, as your child will be missing valuable instructional time that, once lost, cannot be regained.

District Attendance Officers track each child’s attendance. Excessive absences result in written notification to the parents as well as visitation by the Attendance Officers.

### **Excused Absences**

The following shall be considered excused absences:

1. A student whose absence is approved by an authorized school administrator. Prearranged absences shall be approved for appointments or circumstances of a serious nature that cannot be taken care of outside school hours.

2. A student who is temporarily ill or injured.
3. A student who is absent for an extended period due to physical, mental, or emotional disability.
4. A student who is pursuing a work-study program under the supervision of the school.
5. A student who is attending any District-sponsored activity with advance approval of the school administration.
6. A student who is excused by a parent/guardian for observance of a religious Holiday.
7. A student who is in the custody of a court or law enforcement authorities.

The District may require suitable proof regarding the above exception, including written statements from medical sources.

### **Unexcused Absences**

Effective July 1, 2007, the Colorado Compulsory Attendance Law [C.R.S. 22-33-104] requires regular school attendance for all students between the ages of 7 and 17.

The law also states that every parent of a child who is between 7 and 17 years old must ensure that the child attends school in compliance with the law. If your child has 4 unexcused absences from school in any one month or 10 unexcused absences from school during a school year, your child will be declared “habitually truant”.

The State of Colorado and PSD’s goal for attendance is 95%. In order to attain this goal, a student cannot miss more than 9 days during the entire school year. Making up work cannot fully replace the instructional program provided at school.

PSD follows this timeline and process when dealing with “habitually truant” students:

1. Approximately 5-7 absences, questionable or unexcused – 1<sup>st</sup> attendance letter sent to parent/guardians by school.
2. Approximately 10-12 absences, questionable or unexcused – Medical letter sent to parents/guardians by school (if absences seem to be related to a medical condition – or – 2<sup>nd</sup> attendance letter sent to parents/guardians by school; district outreach worker assigned.
3. 15 or more absences, questionable or unexcused – Certified attendance letter sent to parents/guardians by district attendance officer.
4. Continued absences, questionable or unexcused – Truancy filed in district court; documents completed prior to filing will be submitted to the court; specific recommendations can be submitted to court at this time.

Refer to district policy “Compulsory Attendance Ages (JEA), “Student Absences & Excuses” (JH), and “Truancy” (JHB) for further information.

## School Hours

The school day at Bennett begins at 8:50 a.m. and dismisses at 3:28 p.m. Students are tardy after 8:50 a.m. The building is open to students at 8:40 a.m. The office is staffed from 8:30 a.m. to 4:00 p.m.

## Arrival Procedures

Students may begin arriving at **8:30** to wait with supervision at the front of the school. To ensure student safety, do not arrive earlier than **8:30** when staff duties begin.

- K-3<sup>rd</sup> grade students line up at the Main entrance (middle of building)
- 4<sup>th</sup> – 5<sup>th</sup> grade students line up at the East entrance (closer to parking lot)

**Breakfast is served at 8:30.** Students eating breakfast may enter through the main entrance at **8:30** and proceed directly to the cafeteria so there is time to eat. Breakfast ends at **8:50**. Students may begin entering the building for school at **8:40** (1<sup>st</sup> bell).

Students are expected in the classrooms by **8:50** (2<sup>nd</sup> bell) for attendance and lunch count.

If arriving after **8:50**, please stop in the office to check in.

When arriving at school (**8:30 – 8:40**), students may do the following:

- Come in for breakfast
- Sit and wait on a bench
- Stand and talk with your friends on the grass
- Form 2 lines on the white painted lines on the sidewalk
  - Keep the left side of the sidewalk clear
  - Keep the entrance area clear (start on the white line ☺)
  - Main entrance:
    - K, 1<sup>st</sup> & 2<sup>nd</sup> Grade Annex Classes on far right line (west side);
    - 2<sup>nd</sup> Grade Middle Hall Classes & 3<sup>rd</sup> on center line
  - 4<sup>th</sup>/5<sup>th</sup> East Entrance: separate line at intersecting sidewalk (keep intersection clear)

## Emergencies

### 1. In case of an emergency...

During an emergency situation, PSD will communicate information and instructions directly with parents through the following:

- PSD Web site [www.psdschools.org](http://www.psdschools.org)
- Automated phone message delivered to emergency contact number
- E-mail to all parents (sign up at [www.psdschools.org](http://www.psdschools.org))
- Local radio and T.V. stations
- PSD Channel 10 (Comcast and US Cable)
- Parents may call the PSD Customer Service Center at 970-490-3333. Operators will have the most accurate and up-to-date information.

**It is vital for parents to keep their emergency contact information current with their school.**

**If an emergency does occur, please DO NOT:**

- Call your child's school. School personnel will be occupied with taking care of students and will most likely not be able to answer the phone. Call the PSD Customer Service Center at 970-490-3333. Operators will have the most accurate and up-to-date information.
- Go to your child's school. Parents arriving at the school will cause unnecessary congestion and hinder school personnel from taking care of students. Parents will receive information and instructions on how to pick their children up via the methods listed above.

## EMERGENCY DISMISSAL AND SCHOOL CANCELLATION

### Delayed Start

Should the need arise, the delayed school start time will be 2 hours, for all schools.

1. **Delayed start decision:** A decision about delayed start will be made by 5:30 a.m.
2. **Parent notification:** Visit the PSD website at [www.psdschools.org](http://www.psdschools.org) or tune in to local radio or television stations to find out about delayed start the morning of the day in question. Please do not call schools, district offices, or broadcast media. No announcements by media and on the website means all schools are open as usual.
3. **Bus pick up times:** Buses will pick up students at bus stops 2 hours later than regularly scheduled pick-up times. Buses will make every effort to be punctual, although traffic and road conditions may increase travel time. Please ensure your child is dressed warmly in anticipation of a potentially longer wait time. Parents are encouraged to walk their children to bus stops and avoid walking along the roadways. Sidewalks are safer even if these areas are not cleared of snow.
4. **Drop off and arrival times:** Parents dropping off students and students who walk should arrive 2 hours after their regular arrival times. Please do not arrive earlier.
5. **Kindergarten.** Full-day kindergarten and Bennett's half day kindergarten program will start 2 hours later than normal.
6. **Before-and-after school childcare:** B.A.S.E. (Before and After School Enrichment) Camp will open as normally scheduled for students attending these programs. If your childcare provider is other than B.A.S.E. Camp, contact them for start times.
7. **School dismissal times:** School dismissal times will remain on regular schedules, including bus drop-off times in neighborhoods and parent pick-up times at schools.

### School Closures

In the event that schools are closed due to inclement weather and/or questionable road conditions, parents should tune in to local radio and television stations, or go online to PSD's website at [www.psdschools.org](http://www.psdschools.org) to find out about school closures the morning of the day in question.

1. **Media outlets are informed if schools are closed.** No announcements by the media or on the PSD website means all schools are open as usual.
2. A decision about weather-related school closures is made by 5:30 a.m., and media outlets are notified immediately. **Parents should not call schools, district offices, or broadcast media.**
3. The PSD website and the following radio and television stations will provide information about PSD school closures. We will notify Spanish radio stations KGRE 1450 AM and KJJD 1170 AM for Spanish speaking families.

4. When PSD schools are closed, B.A.S.E. Camp will be closed.

Television Stations

Channel 2 – KWGN	Channel 4 – KCNC	Channel 5 – CBS 5
Channel 7 – KMGH	Channel 9 – KUSA	Channel 10 – PSD

Northern Colorado Tribune: [www.greeleytribune.com](http://www.greeleytribune.com)

**Early Release**

If the weather forecast suddenly changes to adverse conditions, PSD may put into action an early release. Parents are urged to please develop a plan for the possibility of your student's early release to your home. ***B.A.S.E. Camp will also release early if schools release students early. In the event of early release due to inclement weather, your child will be sent home via their normal dismissal plan. If your child normally attends after school B.A.S.E. Camp on a Monday-Friday basis, you will need to contact the office with alternate arrangements. Otherwise they will be sent home the way they normally dismiss when it is not a B.A.S.E. Camp day for them.***

When PSD makes a decision to close schools earlier than the regularly-scheduled release times due to inclement weather and/or questionable road conditions, parents will be notified by phone. In addition, media outlets (listed above) and the PSD website also will communicate early release information.

Please make sure all your family contacts and telephone numbers are current at your child's school for such an emergency.

Refer to district policy "School Closing & Cancellations (EBCE). For further information about the policy and procedures, contact PSD director of transportation, at 490-3555.

## **Leaving School during the Day**

No child is to leave the school grounds after they have arrived in the morning without parent/guardians personally signing their child out of school. If the student is to be picked up by someone other than a parent, please notify the school office either by phone or with a note prior to the pick up time.

If a day care bus normally picks up your child and you have made different arrangements, please notify the day care provider.

## **Withdrawing/Moving**

If your family is moving to another school, district, or state, we request that you notify the Bennett office at least three days in advance of withdrawal so that we can start the paperwork involved. In addition, we will need time to check in materials and clear the Media Center record of any outstanding books.

## **Base Camp**

Base Camp is a school-age care program located at many Poudre School District elementary schools. Base Camp is a non-profit, intergenerational organization that offers care before and after school, and on needed in-service days. Students may be registered on a full, part-time, or drop-in basis. Base Camp offers age appropriate activities with friends, afternoon snacks, help with homework and personalized attention. Fees are assessed on a sliding scale based on the number of family members and gross monthly income.

Space is available on a first come, first served basis. Children must be registered and enrollment packets must be completed at the Base Camp office prior to the first day of attendance.

**Questions about the program should be directed to the Base Camp main office at 266-1734.** If you need to reach Base Camp please call this number.

## **Bully Prevention**

Refer to district policy “Bullying Prevention & Education” (JICDE) for further information.

## **Cold Weather Policy**

Bennett uses, as do many other District schools, a cut off of 10 degrees Fahrenheit wind chill. On such days students will come into the building as soon as they arrive

in the morning. They will go out to recess during the day only if the temperature is 10 degrees Fahrenheit wind chill or above. In snowy or cold weather, each child should have appropriate clothes and shoes to wear outside.

### **Counselor**

The most formative school years are during the elementary grades. Children build a foundation for lifelong learning, self-awareness, and interpersonal skills. As children progress through elementary school, they move from childhood to preteen stages, changing from being self-focused to developing an awareness of others. They begin learning how to cooperate, solve problems, develop responsibility, and form friendships. The counselor helps to support these areas.

Throughout the elementary years, some children need additional assistance for specific concerns. The Counselor can offer or arrange both individual and small group counseling which give students the opportunity to discuss problems, learn new skills, consider alternatives and consequences, and take responsibility for their choices. The Counselor may also refer families to outside resources.

Elementary programs include student observations, assessments, intervention plans, parent education, teacher and parent consultations, and crisis management and follow-up. Services are delivered through collaboration among students, parents, teachers, and administrators. Counselors are advocates for your children. The goal is for every student to reach his or her educational, personal, and social potential.

### **Emergency Numbers**

When the office is closed, the following emergency numbers may come in handy. Poudre School District has a 24/7 emergency number, which is 490-3333.

Base Camp's number is 266-1734. The line is staffed until 6:00 p.m. If you reach a recording, this means they are on the other line. You could leave a message, but they also suggest you call back in a minute or two in case they don't listen to their messages immediately.

If your child doesn't arrive home on the bus, the bus terminal's number is 490-3232. If you reach a recording, they suggest you push 0. This should take you to a person to speak with directly.

### **Emergency Procedure**

As a part of our continued efforts to keep students safe, all schools in Poudre School District conduct periodic drills of our district crisis plans. The drills fall into two categories – getting everyone out safely (fire drills) and keeping everyone inside

safely (lockdown drills.) Lockdowns are utilized to secure a school if there is a potential threat, such as police activity in the neighborhood or a wild animal on the playground.

### **English Language Development (ELD)**

Structured ELD is required for all Non-English Proficient (NEP) and Limited English Proficient (LEP) language learners. ELD is a dedicated time and targeted instruction within the school day that is aligned with its own language acquisition proficiency standards.

*ELD instruction is designed specifically to advance English Learners knowledge and use of English in increasingly sophisticated ways. In the context of the larger effort to help English learners succeed in school, ELD instruction is designed to help them learn and acquire English to a level of proficiency that maximizes their capacity to engage successfully in academic studies in English. (Saunders, W., Goldenberg, Cl, & Marcelletti, D. 2013).*

### **Identifying Second Language Learners**

Upon Student enrollment, a student *Home Language and Residency Form* is completed by parents/guardians. Front office personnel then disseminate copies of this form to a site and district representative when there is any indication of another language background on the form. At this point, the PSD *Identification and Enrollment for Language Learners Flowchart* is followed by a trained ELA staff member. Students who are confirmed to have language background or influence of a language other than English are assessed using the WIDA ACCESS Placement Text (W-APT). The Colorado Department of Education's screening cut scores and guidelines are adhered to.

Parent(s)/Guardian(s) are informed of assessment results and whether or not the student qualifies as an English Learner. A Parent Notification Letter is sent from the ELA department which includes W-APT results.

Teacher and other integral school staff are notified of a student's ELA identification and are provided information on language proficiency levels and professional development opportunities.

### **Colorado and the English Language Proficiency Program**

The ELPA Program is a categorical program that supports the requirement to provide an evidence-based English language development program for all English learners. The goal of the program is to increase the English language proficiency and academic performance of English learners. It is funded annually on a per pupil

basis. For more information on the formula, please refer to the PDF Colorado ELPA and October count.

Identified students may receive funding for up to a total of five budget years. The district is obligated to provide ELD services ELs. It is the duty of the district to provide an evidence based ELD program for ELs to enable them to develop and acquire English language proficiency while achieving and maintain grade-level performance in academic content.

*Links with additional information concerning ELL identification, types of language instruction, and the ELPA program can be found on the Bennett website > About Us > Whole Child Education > English Language Development.*

<https://ben.psdschools.org/about-us/ela>

### **Field Trips**

Field trips help the school make use of community and regional resources that are directly related to the curriculum. They are planned to coincide with units of study and to provide concrete learning experiences. Field trips are taken on district buses and are carefully planned and supervised. Parent permission for student participation on field trips is required, and fees are charged to help cover transportation and entrance costs. District transportation guidelines must be followed (see PSD Discipline Handbook, available in our office or on line @ [www.psdschools.org](http://www.psdschools.org)).

### **Gifted and Talented Education**

**Purpose:** To recognize and nurture the development of exceptional abilities so that all gifted students demonstrate positive self-esteem, high-level thinking and creative productivity.

**Vision:** All gifted Poudre School District youth are identified by the strength areas and needs. Educational programming is designed and implemented to match their identified needs. Student progress and achievement is monitored through ongoing dynamic assessment. Teachers of gifted students participate in professional development to increase knowledge, skills and understanding of gifted students and required instruction.

**Definition:** Gifted children means those persons between the ages five and twenty-one whose abilities, talents, and potential for accomplishment are so outstanding that they require special provisions to meet their educational needs. Gifted students are capable of high performance in any or a combination of these areas:

- General intellectual ability
- Specific academic aptitude

- Creative, productive thinking
- Leadership and human relations skills
- Visual and performing arts

### **Criteria**

In order to qualify for gifted education services, the student needs at least three qualifying indicators that span two different areas of the body of evidence in an academic area.

### **Body of Evidence and Qualifying Indicators**

#### **Achievement**

CMAS – middle or top third of advanced

MAP – 95th percentile or higher

MAP – 50 percentile points growth in one academic school year (Fall to Spring)

#### **Intellectual Ability/Aptitude**

CogAT – 95th percentile or higher in verbal, quantitative or nonverbal

Nonverbal can only be used to support math identification if the student also scores in the 70th percentile or higher on the quantitative battery of the CogAT.

#### **Behavior Characteristics**

Scales for Identifying Gifted Students (used at the discretion of the school site and can only be used if the student has 2 qualifying and one borderline indicators)

#### **Demonstrated Performance**

Performance Tasks and Interviews, Work Samples and Portfolios (Work that counts as a qualifying indicator is based on a pre-determined rubric score.)

Out of district assessments that are in the 95th percentile or higher using national norms can be considered as qualifying indicators.

#### **The screening process:**

All students receive consideration for gifted identification through the gifted screening process. All students take the Cognitive Abilities Test (CogAT), the CMAS, and the MAP. The CogAT is administered to all second graders each spring. If a student enters PSD after second grade he/she can take the appropriate level of CogAT if previous district scores cannot be used for gifted identification.

#### **The referral process:**

Teachers, parents, and students can refer students for gifted identification consideration. Referrals can be made any time between the third Monday in September through the second Friday in March. Referrals must be submitted to the school's FT Site Coordinator. Some assessments are only given at certain times

during the year, so the process might take some time. The qualitative indicators about can be considered during the referral process.

If you have questions, please contact the district GT Curriculum Facilitator at 970-490-3076.

### **Lost and Found**

Lost articles can be found in boxes in the Flex Room. Smaller items, e.g. glasses, will be found in the office. Approximately once a quarter all found items are laid out in the hallway for students to identify. Articles not claimed will be given to charities at the end of the each trimester. It would be most helpful if your child's personal items could be marked and names placed on shoes, boots, and lunch boxes.

### **Media Center**

#### **Damaged, Lost, and Overdue Books and Materials**

Students who damage media materials will be assessed a fine, in proportion to the damage and not exceeding the replacement cost of the item. Fines for damaged books are the responsibility of the student in whose name the item is checked out.

Materials lost by a student must be paid for at replacement cost (cost of buying the same or similar book today).

Overdue materials are entered into the computer database and lists of student with overdue materials will be printed and given to homeroom teachers periodically.

The Media Center staff will send a letter to the parent(s) of any student with damaged, lost, or overdue materials, informing them of the title of the item, cost and/or date due. Report cards/transcripts can be held if all fines are not paid.

Refer to district policy "Student Fees, Fines & Charges" (JQ) for further information.

## **Non-Permission Forms**

At the beginning of the year, parents will be given the option of requesting that their child:

- Not have their photo or video taken
- Not be allowed to access the internet and
- Not be allowed to access email at school

These non-permission forms will be sent home with each student. It will be assumed that permission is granted if the form is not returned.

## **Volunteers in the Media Center**

Parent volunteers to help with check out of materials, shelving books, and organizing the media center are always appreciated. If interested, please contact the Bennett Volunteer Coordinator, Millie Martinez [mmartine@psdschools.org](mailto:mmartine@psdschools.org)

## **Specials**

Instruction in Art, Music, Physical Education, and Spanish is given to all students at Bennett. Students receive these Special classes on a rotation cycle that is communicated through a color-coded system or designated day system.

## **Party Invitations**

Unless an entire class is receiving an invitation to a party, we ask that you do not distribute party invitations at school. This will help to prevent hurt feelings.

If you have deliveries sent to the school, they will be kept in the office until the end of the day.

## **Volunteers**

Poudre School District encourages parents, guardians and other individuals from the community to volunteer their time, knowledge and abilities for the benefit of students in our schools. For purposes of this policy, a “volunteer” is an individual (except a student enrolled in a District school) who provides an act or service without compensation for the benefit of a District school, staff and/or students subject to the direction and control of the school’s principal and his/her designees and whose volunteer service could involve contact with one or more students outside the physical presence of a District employee, even if such contact may occur incidentally by chance at school or a school activity and for only a brief period of time. For purposes of this policy, and “authorized volunteer” is an individual who

qualifies as a “volunteer” under the definition in the immediately preceding sentence, is registered as provided by this policy, and is providing service to the District in accordance with this policy. Volunteer service is a privilege that may be granted, denied or revoked at any time at the District’s/school’s discretion.

In order to help ensure appropriate oversight of school activities and the welfare and safety of staff and students, every individual who wishes to serve as a volunteer (including parents/guardians) must first be registered by the District, in accordance with the terms and conditions set forth below. **This requirement applies to all volunteer service, whether it is only for a single occasion or will occur on a sporadic or regular basis, and regardless of the program, event or activity involved.**

The volunteer registration process shall be conducted in accordance with the following procedures:

1. Individuals who wish to serve as volunteers must first complete a volunteer application and agreement, which may be done online through the District’s Internet website.
2. To register online
  - Go to the district home page at [www.psdschools.org](http://www.psdschools.org)
  - Go to Community and scroll down to Volunteers and Partnerships.
  - The PSD Volunteer Agreement (general agreement and confidentiality agreement) which must be read before completing the volunteer application.
  - Please keep a record of the User ID and password as the application must be updated each year.
  - Make sure the Finish button is clicked at the completion of application.
3. A background check at District expense is required for any individual whose volunteer service could involve contact with one or more students outside the physical presence of a District employee, even if such contact may occur incidentally by chance at school or a school activity and for only a brief period of time. This background check requirement is not meant to discourage or offend prospective volunteers, but rather to help ensure the safety and welfare of the District’s most precious resource – its students.
4. All information provided in the volunteer application and agreement, and all information received by the District through the volunteer background check and/or other sources, shall be considered and maintained as confidential personnel file information under the Colorado Open Records Act and not subject to disclosure except on a “need to know” basis as authorized by law.
5. An individual’s volunteer service may be denied if the District determines that such volunteer service would be incompatible with the protection of student health, welfare, safety or morals, based on information provided in the volunteer application and agreement, information discovered through a background check, or information discovered by other means. Determinations in this regard may be appealed to the Executive Director of Human Resources, whose decision shall be final. An individual’s conviction of a felony or misdemeanor will not automatically result in denial of volunteer service; each situation will be considered individually.

6. Registered volunteers shall be issued an identification badge, which must be worn at all times the individual is providing volunteer services.
7. Registered volunteers whose volunteer service could at any time involve contact with one or more students outside the physical presence of a District employee, even if such contact may occur incidentally by chance at school or a school activity and for only a brief period of time, are subject to follow-up background checks any time the District receives information indicating that it would be prudent to conduct such a background check in the interest of protecting student health, welfare, safety or morals. Such registered volunteers are also subject to one random follow-up background check during each three-year period they remain a registered volunteer.

Volunteers shall comply with all applicable District policies and regulations, as well as with all applicable school rules.

Bennett's volunteer coordinator is Millie Martinez. A form is sent in the summer newsletter that lists the registration site. Parents, grandparents, or guardians sign up for the areas they would like to volunteer for. The coordinator will then place the volunteer. New volunteer applicants are subject to a mandatory background check. Any issues that show up during the background check will need to be cleared up before the application can be completed and the applicant can become a volunteer.

For our children's safety, we require that all volunteers and guests sign in at the office and wear a name badge. This includes lunch visitors as well as parents on the playground. Due to liability, children not currently enrolled at Bennett are not allowed on the playground during school hours, when you are volunteering in the classrooms, or during class parties. **We value quality, learning time for our students. When you bring other children to school, you cannot give your full attention to assisting students and/or the teacher. If you would like to volunteer, but can't find a sitter for your younger child then we can send home projects you can help with.**

### **Breakfast and Lunch**

#### **Bennett Meal Program**

Breakfast and/or lunch may be paid for daily or weekly as the child goes through the cafeteria line or online through the parent portal. More information about the PSD School meal program is available on the PSD website at <https://www.psdschools.org/programs-services/school-meals>

If sending money to school, please write your child's name on your check. We recognize that students will occasionally forget their money, so we allow them to charge no more than three days in a row.

Family members may join their students for lunch. Please let the office know before 9:00 a.m. if you plan to eat at school. You pay as you go through the line. You, your child, and a friend will sit at a designated table.

The monthly menu will be published in the Thursday newsletter.  
Children may bring a lunch from home and purchase milk or fruit juice.

### **Meal Assistance Program**

PSD offers free and reduced breakfasts and lunches to students who qualify. For families who need financial assistance in purchasing meals for their children at school, application may be made for free or reduced rates through the PSD website <https://www.psdschools.org/programs-services/school-meals/free-and-reduced-meals>

### **Breakfast Schedule**

**K-5 8:30 – 8:50**

### **Lunch/Recess**

#### **Schedule**

<b>K</b>	<b>11:55 – 12:35</b>
<b>1</b>	<b>12:20 – 1:00</b>
<b>2</b>	<b>12:30 – 1:10</b>
<b>3</b>	<b>12:00 – 12:40</b>
<b>4</b>	<b>12:45 – 1:00</b>
<b>5</b>	<b>11:45-12:25</b>

#### **Lunchroom**

<b>K</b>	<b>11:55 – 12:15</b>
<b>1</b>	<b>12:20 – 12:40</b>
<b>2</b>	<b>12:30 – 12:50</b>
<b>3</b>	<b>12:00 – 12:20</b>
<b>4</b>	<b>12:45 – 1:00</b>
<b>5</b>	<b>11:45 – 12:00</b>

#### **Recess**

<b>K</b>	<b>12:15 – 12:35</b>
<b>1</b>	<b>12:40 – 1:00</b>
<b>2</b>	<b>12:50 – 1:10</b>
<b>3</b>	<b>12:20 – 12:40</b>
<b>4</b>	<b>1:00 – 1:25</b>
<b>5</b>	<b>12:00 – 12:25</b>

### **Lunch Off Campus**

Children may go out for lunch if the parents/guardians personally sign their child out of school. Students will be excused when the rest of their classmates are taken to lunch and will be expected back at school when class resumes after lunch. If your child leaves for lunch and for some reason does not return to school after lunch, please notify the school office (488-4750).

### **SAC Team**

The School Accountability Committee is a group of parents and teachers who function as a communication link between the school and the community. The team directs the development and implementation of the annual school improvement plan. The SAC Team also serves as a sounding board for ideas related to new and ongoing school policies and programs. All parents are welcome to attend SAC meetings. The meetings are held quarterly and can be found on the school calendar on the Bennett website. Additionally, meeting minutes will be posted after the meetings.

# **Student Health and Safety**

## **Child Abuse and Neglect**

A Colorado Statute (19 10-102 to 115) requires the reporting of suspected child abuse or neglect to the appropriate county department or local law enforcement agency. It is the intent that, as a result of such reports, protective social services shall be made available in a effort to prevent further abuses, and to safeguard and enhance the welfare of such children.

In the Child Abuse Bill enacted in the 1976 session, the “school official or school employee” is listed as the persons required to report abuse or neglect. This bill states that any person, who is listed to report, who willfully fails to report a case of child abuse for circumstance or conditions which would reasonably result in child abuse, “commits a Class 2 petty offense and conviction thereof, shall be punished by a fine not to exceed \$200.00 and shall be liable for damages proximately caused thereby.” No person who reports a case of suspected child abuse can be sued for making a good faith report.

## **Head Lice Policy**

If the school suspects a case of head lice:

Our trained health technician will check the student for nits. If evidence is found, parents are notified and may allow the child to finish the school day or come for him-her as soon as they are able, so treatment could be started. At the discretion of the school nurse, immediate treatment may be indicated. A packet of information concerning proper care is sent with the parents. Upon returning to school, after proper treatment, the student is again checked by our trained health technician. At the discretion of the school nurse, the student may be checked daily for 1 week after treatment. Weekly checking may be recommended for a total of 3-4 weeks from initial treatment because of the life cycle of lice. If at any time during the re-checking period, living lice are noted these steps will be repeated.

Classroom check will be done at the discretion of the school nurse if at least 2-3 students are identified with a positive case in the same class. Siblings at the school or friends, who have had recent close contact, may be checked.

All students in any classroom with two or more positive cases of head lice will bring home a notification/instruction sheet informing parents.

## **Immunization Records**

The Colorado School Entrance Immunization Law requires all students to provide proof of immunizations to be enrolled in school or child-care. Your child's immunization record must be presented by the first day your child attends school or child-care.

If a student does not have all the required immunizations, the school or child-care will notify the parent/guardian. The parent/guardian has 14 days to show documentation that the required immunization has been given or to complete a written plan for completion of any additional required immunizations. You may contact your physician, county health department, or public health nursing service to obtain the required immunization.

Refer to district policy "Immunization of Students" (JLCB/JLCB-R) for further information.

## **Medication Given at School**

1. ALL medications, whether prescription, over-the-counter, long-term or short-term, require a written authorization signed by both the prescribing practitioner and the parent/guardian. This includes cough drops, Tylenol, vitamins, etc. Herbal and homeopathic remedies also require written authorization from a prescribing practitioner and parent. State guidelines define "prescribing practitioner" as a physician, podiatrist, dentist, advanced practice nurse with prescriptive authority, physician's assistant who has directions of a physician or written protocol" (From the Colorado Nurse Practice Act, 1995, Section 12-38-103 (4)).
2. The written authorization must be renewed yearly and forms are available in the health office at each school.
3. All medication must be in the original bottle/container/package, whether prescription or over-the-counter. No medications will be accepted in envelopes, baggies, etc.
4. All medications must be kept in a locked cabinet in the Health Office. Those medications requiring refrigeration must be kept in a locked box in a designated refrigerator. Students may not keep medications and administer them to themselves, unless authorized by a prescribing practitioner, parent and the school nurse. This helps prevent a potential danger that medications may be lost, improperly used or accidentally ingested by another student.
5. ASTHMA INHALERS may be carried by a student if the authorization form required "For Asthma Inhalers Only" is signed by both the prescribing practitioner and the parent/guardian.
6. These procedures are important for safeguarding ALL students.

Refer to district policy "Administering Medicines to Students" (JLCD-JLCD-R) for further information.

## **School Insurance**

School accident insurance for your child is available for either the school year or the entire year. You may sign up for this program any time during the year.

## **Student Illness or Emergency**

Since children may become ill at school or have an accident, it is **imperative** that we have the name and phone number of someone to contact in case you are away at the time. This information should be on the registration form and is the parents' responsibility to ensure the information is correct and up-to-date.

## **Vision and Hearing Screening**

Each fall Poudre School District Health Services conducts a Vision and Hearing Screening at the school for all K-3 and all 5<sup>th</sup> grades. Students in 4<sup>th</sup> grade are screened if there is a concern. Students new to the district are screened as they transfer in throughout the year.

Refer to district policy "Screening/Testing of Students" (JLDAC) for further information.

# **Transportation**

## **Dropping off students and picking up students:**

Parking lot safety is a major concern for us here at Bennett. We believe that with a little patience, understanding, and following a few simple procedures we can ensure that all students are safe and help keep things moving smoothly. With assistance from the Bennett Site Improvement Team and other district personnel, we have developed the following procedures for drop off and pick up:

- ALL drop off and pick up for students occurs in the parking lot East of the building.
- PLEASE, when pulling in to the drop off/pick-up lane, pull all the way up as far as possible.
- DO NOT park in the drop off/pick-up lane!
- Have your student(s) ready to get out of the car when you pull in. If for some reason your child cannot immediately exit your vehicle, please exit the lane and pull into a parking space.
- If possible, please make sure your student(s) exit/enter your vehicle from the sidewalk side.
- Do not block crosswalks.

During pick-up, students will not be allowed to cross the pick-up lane to “meet” a pick-up person who has parked. You must escort the student across.

Here are some other suggestions:

- Do not drop students off on Bennett Road. If you must, make sure you and your children use the cross walks.
- If you are parked in the East parking lot, please escort your student(s) across the parking lot and onto the sidewalk.
- Do not use the handicapped parking spaces at the front of the building for drop-off.
- Watch your speed!

We will always have a staff member(s) on duty in this area before and after school. We ask that everyone using the drop-off/pick-up lanes follow the directions of these staff members. While sometimes the process may feel frustrating because someone is not following the correct procedures, being patient and considerate is always a great skill to model for our students. Saving a few minutes is not worth the potential harm that could come to a child if an accident were to occur.

## **Buses**

Students may ride district school buses to and from school if they live more than one mile from school. The Transportation Department handles all bus discipline issues. Video cameras may be used to monitor student behavior on school vehicles transporting students to and from school or extra-curricular activities. Notices of the use of video recording devices shall be placed in each school vehicle.

Refer to district policy “Student Conduct of School Buses” (EEAEC & EEAEC-R) for further information.

## **Buses and Bus Stops**

The buses and bus stops used by students to travel between home and school are considered part of the school environment and are covered by this behavior plan. Our goal is a safe and pleasant bus experience that allows students to travel efficiently but please remember that BUS RIDING IS A PRIVILEGE, NOT A RIGHT. Inappropriate behavior can lead to losing the privilege of riding the bus.

At the Bus Stop:

1. Arrive at the bus stop no later than five minutes before the bus is scheduled to leave.
2. Show respect for students, adults and property at the bus stop while modeling the IB attitudes.

3. No “hands-on” playing.
4. Student must stay out of the roadway.

#### On the Bus:

1. Listen and follow the bus driver’s directions the first time they are given.
2. No eating or drinking.
3. Stay seated and face forward, with your feet in front of you and hands to yourself.
4. Display courtesy and respect for other passengers.
5. Talk quietly and do not disturb the driver or other passengers.
6. Students must be silent at railroad crossings.
7. Students are expected to model the IB attitudes at all times.

Refer to district policy “Student Conduct of School Buses” (EEAEC & EEAEC-R) for further information.

#### **Bus Stop Arrival Time**

As directed by the Board of Education, students must be at the bus stop no later than five (5) minutes before the bus is scheduled to arrive. As Board policy, it becomes part of the Student Code of Conduct. Failure to comply could result in disciplinary action or loss of the privilege to ride the bus.

#### **Bus Passes**

In order for a student to ride a bus other than that which he/she is scheduled to ride, the office must receive a written request from the parent(s). The student will be issued a special pass for one day only. Written permission *must* be presented to the office early in the day in order to have a pass issued. Buses will not wait for a pass to be issued after school.

Students riding their same bus but getting off at a different stop will need to turn in a parent note at the office. A pass will then be issued.

Refer to district policy “Student Conduct of School Buses” (EEAEC & EEAEC-R) for further information.

#### **Transportation Eligibility**

- Elementary school students in kindergarten-5<sup>th</sup> grade will receive transportation services to and from school if they live 1 mile or more from school, in the school attendance area.
- Middle school students in grades 6-8 will receive transportation services to and from school if they live 1 ½ miles or more from school, in the attendance area.

- High school students in grades 9-12 will receive transportation services to and from school if they live 2 miles or more from school, in the attendance area.

### **Space Available Busing Changes**

Applications will be available on the PSD website and at the transportation office beginning August 1st.

Requests are processed on first-come, first-served basis and are based on the space available on existing bus routes. Parents are encouraged to apply as soon as applications are available.

Application process overview:

- Parent must reapply for space available and/or alternative transportation every year.
- Application will not be accepted until August 1st
- Only current year application will be accepted.
- The application review process begins October 3, and families will be notified as soon as a determination is made.
- A separate form must be filled out for each student.
- Parents are responsible for providing student transportation until they are notified by the PSD transportation department that there is a seat available for them on a bus.

Parents should be aware that transportation cannot assign students over the PSD Transportation capacity limits. Limits are based on age groups of the students and size of bus.

Applications will be available on the PSD website August 1 at [www.psdschools.org](http://www.psdschools.org). For more information, contact the transportation routing department at 490-3155.

## **Valuables and Toys From Home**

Children are not allowed to bring toys, valuables, MP3 players, gameboys, any other electronic devices, or playing/trading cards from home to school.

As a means of transportation to and from school skateboards, scooters and rollerblades are considered the same as bicycles. On arrival at school they must be stored. Students can make arrangements with the classroom teacher.

## **Cell Phones**

For the purposes of these rules, “personal communication device” or “PCD” is defined to include all cell phones, pagers, personal digital assistants, cameras,

audio/video recorders, watches, and other hand-held electronic communication or data storage devices.

Students may possess and use PCDs at school, except under the following circumstances:

1. Students shall not use PCDs at any time they are in class or participating in or attending education-related activities, unless expressly authorized by the principal or his/her designee.
2. Students shall keep PCDs out of sight at all times they are in class and at all times they are participating in or attending education-related activities, unless expressly authorized by the principal or his/her designee.
3. Student shall keep PCDs turned off or dormant at all times they are in class and at all times they are participating in or attending education-related activities, unless expressly authorized by the principal or his/her designee. In this regard, “dormant” means elimination of all vibration alerts, alarms, ring tones, flashes, and other methods of notification of incoming calls or messages.
4. Students shall not use PCDs when they are not in class or when they are not otherwise participating in or attending education-related activities if such use results in disruption of the educational process or of school operations, as determined by the principal or his/her designee.

If one or more of these rules conflicts with a student’s IEP or Section 504 Plan, the conflicting terms of the rule(s) shall not apply with respect to that student.

Students who violate any of these rules are subject to one or more of the following consequences for each violation.

1. Discipline, including suspension or expulsion from school
2. Receiving a failing grade with respect to any test or assignment during which the student has possessed or used a PCD in violation of the rules.
3. Confiscation of the PCD possessed or used in violation of the rules for a period of time to be determined by the principal or his/her designee, up to and including the remainder of the school year. Confiscated PCDs shall not be returned until after a meeting to discuss the violation is held between the student’s parent/guardian and the principal or his/her designee.

School officials shall not view the content of or any information on a student’s PCD without the consent of the student or student’s parent/guardian, unless expressly authorized by the appropriate assistant superintendent of school services.

## **Website**

# **Bennett Elementary School, an IB World School**

## **Behavior Expectation Plan Preface**

Each of our students has a right to expect the best possible education at Bennett. With this right comes the responsibility to respect the rights of others, and to contribute to a safe, orderly, and caring atmosphere. This Discipline Plan provides guidelines regarding expectations for student behavior.

### **Description of Plan**

This Discipline Plan addresses general school behavior, including expectations and consequences for all students who attend Bennett. It is intended to guide student behavior in all parts of the school and in all school-related activities in the hallways, in the lunchroom, in the media center, in the computer laboratory, on the playground, on the bus, and on field trips. While it provides many examples of behavioral expectations, the Plan cannot anticipate all possible situations that may arise. Administrators, teachers, and staff members all share responsibility for modeling and enforcing the Plan as well as using their judgment and discretion to interpret the Plan.

Within the classroom, teachers may add specific expectations and consequences to fit their teaching style and the needs of students.

### **Expectations of Students and Staff**

#### **General Expectations**

To achieve our goal of providing the best possible education for all students, the Discipline Plan is based on five main expectations. Everyone in the Bennett community will:

1. Model the IB Learner Profile and utilize the IB PYP attitudes.
2. Show respect for people and property.
3. Ensure the physical and emotional safety of all members of the school community by acting in a safe manner.
4. Avoid disrupting other classes or disturbing other students.
5. Use appropriate language.

## Playground Rules

- Leaving Lunchroom – Students should walk directly to the playground. They should walk on the blacktop and not through the outdoor classroom. They should stay away from classroom doors, windows, the outdoor classroom, the bike racks and from PE classes and equipment. Muddy areas and puddles should be avoided. This helps keep classes undisturbed and students clean.
- Passes – Once a child has come out onto the playground they must have a pass when they reenter the building. Passes should be given for the bathroom, nurse, or office. Students cannot go to their classroom because they will be unsupervised; if a teacher wants a student to come in during lunch they must give them a pass before they come out to the playground.
- Coats – If the student wants to take their coat off, it should be placed by the building in their grade level tub. We want to teach students to remember to bring all outdoor clothing with them when they go outside and come back inside. If they forget their gear and want to go inside to get it, they may not go to their classrooms as it is unsupervised. They may, however, go to the office to be warm until their recess is over.
- Pens, Paper, Books – These items should have teacher permission to be outside. Please keep scissors inside.
- Playground Equipment- Students should use the playground equipment in a manner that keeps themselves and others safe.
- Classroom/ PE Equipment – Students are responsible for school provided, labeled, equipment (balls) brought to the playground from their classroom. These items must be used only for the purpose originally intended. Balls should be used away from the building to not disturb classrooms. Students should receive adult permission to retrieve a ball outside of the fence. All equipment should be used in a manner that keeps students and others safe. If a student brings a ball from home, we are not responsible for it.
- Items, electronics, and toys from home are not allowed on the playground during recess.
- Games – No tackle football (2-hand touch is OK) or body slamming. Chase games are OK, as long as everyone involved wants to participate. Chase games are for the ground only, never on the playground equipment. Games should not involve picking up or carrying a student. All games are open; all students must be included in games or activities if they wish to participate.
- Inclement Weather – Students who are not wearing snow boots should stay on the plowed areas of the blacktop. Students should keep umbrellas inside; we will call indoor recess if it is raining or they can stand under the awnings.
- Students should keep sand, rocks, sticks, grass, snow and wood chips on the ground.
- Spitting, foul or threatening language or gestures, pretend fighting, and pretend weapons are not allowed.
- Physical fighting is never allowed. Violators will be sent the office.

## **Lunchroom**

The lunchroom is part of the school environment, just like any other room within the building. So that everyone may have a quiet, comfortable place to eat lunch, students are expected to behave in the school lunchroom as they would in their own homes or at a restaurant. A staff member responsible for enforcing the rules supervises the lunchroom. While in the lunchroom, students and visiting parents or guests must adhere to the following rules:

1. Visit with neighbors only, in a quiet voice.
2. Remain seated at the table until dismissed individually.
3. Use respectful manners.
4. Clean up after yourself.
5. Students are not to reenter the school during lunch recess without permission.
6. Students are not to return to classrooms without a note and supervision from classroom teachers.

## **Hallways**

The hallways within Bennett are busy places during the school day with 500+ students and staff traveling from classroom to Specials, the office, the media center, and other destinations. Everyone should strive to move through the hallways in a matter that allows efficient travel and does not disrupt any other activities. The following rules apply to the hallways:

1. Teachers will walk their homeroom classes to Specials and pick them up from Specials.
2. Teachers will walk their homeroom class to lunch.
3. Students, staff, and visitors will walk silently to respect the classrooms around them.
4. Students, staff and visitors will walk on the right side of the hallway, so that others may pass in the opposite direction.
5. Students must remain outside the building until the morning bell rings. Students will not be allowed inside the building unless a parent accompanies them or there is a teacher-directed activity.
6. Students are not allowed in the hallways during lunch recess without teacher permission.

## **Media Center and Technology Laboratory**

All staff and students share the Media Center and Technology Laboratory. To ensure that all may use these areas as intended, the following rules should be followed:

1. Always speak quietly.
2. Use computers only for research, word processing, or other school-related functions.
3. When finished with a computer, close all files and active software, and prepare the computer for the next user.
4. Push in chairs, pick up books, pencils, papers, and other materials, and “straighten-up” the work area for the next user.
5. Replace all materials appropriately.

## **Dress Code**

While student dress is primarily a matter of choice for the student and his or her parents, it is important that a student’s clothing not offend others or disrupt the educational processes of the classroom and school. The principal will maintain the authority as to whether or not clothing is appropriate. Bennett Elementary dress code will follow the following PSD dress code (with exception as determined by the principal):

The Board of Education recognizes that responsibility for the dress and appearance of students generally rests with individual students and their parents. Students are encouraged to dress appropriately for all school activities. The following general standards will be in effect:

1. Reasonable cleanliness of wearing apparel is expected as a matter of general health and welfare.
2. To avoid injury and disease, shoes, sandals, or boots must be worn in the buildings.
3. Beach or swim wear is inappropriate.
4. Dress that causes or is likely to cause disruption of the educational process is prohibited.
5. Wearing apparel that interferes with or endangers the student while he/she is participating in classroom or other school-sponsored activities is prohibited. The decision as to the safety or unsuitability of the clothing is a matter for the instructor's or school administrator's judgment.
6. Pupils must not wear hats or dark glasses in the building without permission from an administrator.
7. Any manner of grooming or apparel, including clothing, jewelry, hats, emblems, tattoos and badges, which by virtue of color, arrangement, trademark, or other attribute is associated with or denotes membership in or affiliation with any gang, will not be allowed. The prohibition on gang-related apparel shall be applied at the discretion of building-level administrators after consultation with the superintendent or designee as the need arises at individual schools. (See District Policy JICF, Secret Societies/Gang Activity and Dress.)

Subject to approval of the superintendent or designee, principals may establish additional specific standards for their own schools.

**Disciplinary action for violation of any standard will include notification of the violation, the requirement that the clothing be changed before re-entering class, and, at the discretion of the**

building-level administrator, a parental conference. More severe disciplinary consequences, including suspension or expulsion, may result from repeated or serious violations.

## **Student Support Systems**

Our Discipline Plan requires an investment by staff, students, and parents in a partnership to help students learn academic and social responsibility. We will provide any assistance we can to help students be successful academically and behaviorally. Along with classroom and administrative support for students, our counselor is available to assist students or parents in solving individual problems that occur at our school.

### ***Poudre School District Board Policies***

#### **Animals In School:**

In order to protect both children and animals, and in accordance with the recommendations of the Larimer County Health Department, the following policy is adopted for use in all school within Poudre School District.

Animals may be brought into or housed in a classroom only with express permission from the building principal, only for a specific and appropriate educational purpose, and only for the amount of time necessary to achieve the educational goal.

Refer to district policy “Animals in District Facilities & Vehicles” (ADG) for further information.

#### **Code of Conduct**

A digital copy can be found on the PSD or Bennett website. Paper copies can be requested from the office.

#### **Community Use of District Property**

1. District-owned property is available for use for community groups.
2. It is governed by district policy (Community Use of District-Owned Property (KF & KF-R))
3. Please contact Customer Service at 490-3333 for information or visit the district website ([www.psdschools.org](http://www.psdschools.org)) and search for “Information About Use of District Property” to obtain the customer service website.

## **Drug Detection Dogs**

As part of school board policies, it is our responsibility to inform you that drug detection dogs might be used on a random basis to go through the school hallways, classrooms, locker rooms, offices and parking lots to uncover possible drug possession. The intent of this process is to assure parents and community that our school is free from drugs. If ever there were a reason for the use of detection dogs, it would be initiated by district staff, not law enforcement authorities.

Refer to district policy “Searches” (JIH) for further information.

## **Harrassment/Discrimination**

Sexual harassment of students by other students and third parties includes *unwelcome* sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature. Sexual harassment may occur whether the harassment is between people of the same or different gender. Sexual harassment can include unwelcome oral, written or physical conduct, directed at or related to a person’s gender, such as sexual gossip or personal comments of a sexual nature, sexually suggestive or foul language, sexual jokes, whistling, spreading rumors or lies of a sexual nature about someone, demanding sexual favors, forcing sexual activity by threat of punishment or offer of educational reward, obscene graffiti, display or sending of pornographic pictures or objects, offensive touching, pinching, grabbing, kissing or hugging, or restraining someone’s movement in a sexual way.

All District employees and students share the responsibility to ensure that harassment based on race, color, religion, national origin, ancestry, sex, sexual orientation or disability does not occur at any District school, on any District property, at any District or school-sanctioned activities or events, when students are being transported in any vehicle dispatched by the District or one of its schools, or off school property when such conduct has a reasonable connection to school or any District curricular or non-curricular activity or event.

Refer to district policy “Harassment of Students” (JBB) for further information.

## **Homemade Foods**

Food prepared or served in classrooms is a significant concern of the Larimer County Health Department due to the potential for transmitting food-borne illness. With food prepared in student’s homes and in classrooms, it is difficult to assure proper sanitation and safe hygienic practices. There is also no way to thoroughly clean and sanitize food preparation surfaces, utensils, and other equipment in a classroom.

Homemade food items and snacks should not be permitted in schools with the intent of sharing these with others, i.e. classroom parties, including birthday celebrations, potlucks, etc. If it is necessary to have food in classrooms, only commercially prepared foods from retail stores should be served. If items are not individually wrapped, an adult using a serving utensil should provide a serving to each child. Children should not be permitted to put their hands into a common container to serve themselves, i.e. popcorn from a common bowl, cookies from a common package, etc.

### **Procedure for Exempting Students from a Class or a Portion of a Class**

The Health curriculum and teaching materials will be available for the public to view, during school hours, by prior arrangement.

Parents/guardians of all students enrolled in the Health class shall be notified in writing of the general content of the course and that the materials are available for inspection at the school.

After reviewing the curriculum materials, a parent/guardian may request in writing that the student be exempted for all or from any portion of the class.

Exemption will be granted from all or from any portion of the health education curriculum on the grounds that the material taught is contrary to the religious beliefs and teachings of the student or the student's parent/guardian.

A request for exemption must be submitted in writing to the principal before instruction in that portion of the curriculum for which the exemption is requested.

The request must state the particular conflict involved.

The principal (or principal's designee) will meet with the parent/guardian and the teacher to develop an accountability plan for the student during the time missed in class. A written statement from the parents will be developed which details how the student will be responsible for the missed curriculum.

Accountability for the student should include the material that will be missed in class, but which may be presented in a different fashion, preferably by the parent/guardian. The learning assessments used by the teacher or similar assessments will be used to determine successful completion of the material.

### **Sex Offender Registry information Available**

State law (Senate Bill 22-1-124) requires that all schools notify parents about how to access records on registered sex offenders. Following are ways to obtain information about registered offenders:

**List of Offenders living inside city limits is available at City of Fort Collins Police Services:** Information about sex offenders via Colorado Bureau of Investigations statewide sex offender list is available at <http://sor.state.co.us/> which will take you to the State of Colorado registry. Simply follow the steps and select the

city or county of interest for the information which is maintained by CBI. The local Fort Collins sex offender registration list can also be accessed by going to the police station at 2221 Timberline Road and filling out a request form (no charge to view list; \$7.50 to purchase copy)>

**List of offenders living outside city limits in Larimer County is available for Larimer County Sheriff:** Residents must go to the Sheriff's Office administration building, 2501 Midpoint Drive. Bring photo identification, and fill out request form (no charge to view list; \$7.50 to purchase copy). A database is online at: <http://www.larimer.org/sherrif/sexoffenders/index.htm>

**Colorado sex offenders registry from the Colorado Bureau of Investigation:** available online at <http://sor.state.co.us>

### **Staff Personal Security and Safety**

The following procedures shall be followed in instances of assault, disorderly conduct, harassment, knowingly false allegation of child abuse, or alleged criminal offense by a student directed toward a teacher or school employee:

- The teacher or employee shall file a written complaint with the school principal, the superintendent's office, and the Board of Education.
- The principal, after receipt of both the complaint and adequate proof of the charges, shall suspend the student for three days in accordance with established procedures.
- The superintendent shall initiate procedures for the further suspension or expulsion of the student when injury or property damage has occurred.
- The superintendent or his/her designee shall report the incident to the district attorney or the appropriate local law enforcement agency or officer who shall then investigate the incident to determine the appropriateness of filing criminal charges or initiating delinquency proceedings.

### **Visitors to Schools**

All visitors to Poudre School District schools shall be subject to the terms of this policy. Failure to comply with the terms of this policy may result in the denial or withdrawal of the visitor's authorization to visit the schools, and/or referral of the matter to law enforcement.

- As used in this policy, "visitor" includes any person who is not a member of the student body and who is not a member of the regular school staff, and who comes upon school grounds and/or enters a school building.
- School visitation by District employees who are not members of the regular school staff shall occur as determined by the District to be necessary or advisable.

- School visitation by individuals who are not district employees is a privilege, not a right, which may be limited, denied or revoked by the District, principal, or principal's designee based on considerations of student and/or staff safety, efficient school operations, maintenance of a proper educational environment, or failure to comply with the terms of this policy.
- The District or school may authorize individuals who are not District employees to visit a school and/or to observe or participate in school activities, including but not limited to education-related activities, as deemed by the District or school to be necessary, appropriate or in the best interest of the District, the school, and/or one or more students or staff members at the school. The time(s) and duration(s) of such visits shall be determined by the District or school
- Notwithstanding the terms of paragraph 4 above and unless otherwise authorized by the appropriate Assistant Superintendent of School Services, requests by individuals who are not District employees to observe classrooms or other areas of the school where education-related activities are in progress shall only be approved for: (a) the parents/guardian of a student in the classroom or area being visited; (b) relatives of a student in the classroom or area being visited; and (c) other visitors authorized by the student's parents/guardian whose observation is reasonably necessary for the student's benefit, as determined by the District or school. With respect to such requested observations:
  - No more than three (3) visitors shall be approved to observe at any one time, except in unusual circumstances as authorized by the appropriate Assistant Superintendent of School Services.
  - Visitors approved to observe shall not interfere, distract or otherwise disrupt the education-related activities.
  - Approved observations shall be limited to one (1) day per week, except in unusual circumstances as authorized by the appropriate Assistant Superintendent of School Services.

All visitors to school buildings must enter only through designated doors and report directly to the school office immediately upon entering the building.

Upon reporting to the office all visitors must state their business to a school official, who may request any confirmation of the visitor's identity or business, documentation, or other information the official deems necessary in the interest of securing the safe and efficient operation of the school. If the visitor is deemed to have legitimate business at the school, he or she may be authorized access to those parts of the school building and grounds necessary for that business. In such cases, the visitor: (a) may be required to sign in and out; (b) may be required to wear an identification badge, which must be prominently displayed at all times the visitor is at the school and which must be returned before the visitor leaves the school; and (c) may be required to be accompanied by a District employee for some or all of the visit.

Refer to district policy "Visitors to Schools" (KI) for further information

## **Use of Alcoholic Beverages, Drugs, and/or Steroids**

Students may not use, possess, or be under the influence of alcoholic beverages, drugs, or steroids other than those prescribed by a licensed physician, while attending school or at school-sponsored events. Violation of this regulation shall result in a mandatory participation in a treatment program or expulsion from school.

Poudre School District recognizes that chemical dependency is an illness often preceded by misuse and abuse. The District is committed to assisting administrators, teachers, parents, and students in their efforts to help students deal with drug, alcohol, and/or steroid problems and issues. Because the District recognizes the importance of early intervention in the illness, contact with students manifesting signs of misuse or abuse will be made to educate and aid them. Staff members are encouraged to assist students and to make referrals to the chemical dependency staff when appropriate. Referral source may include parents, teachers, friends, concerned students, administration, law enforcement, courts, social workers, and school counselors. Referral sources will remain confidential. Because students who do not have a chemical problem may need assistance in supporting their decision not to use chemicals, the chemical dependency staff and program shall be available to all students.

Refer to district policy “Drug & Alcohol Use by Students” (JICH) and “Possession & Use of Tobacco by Students” (JICG) for further information.

## **Use of Tobacco**

Smoking, chewing, or any other use or possession of tobacco or tobacco products by students while on District property or while attending any District-sponsored activity off District property is prohibited.

Refer to district policy “Drug & Alcohol Use by Students” (JICH) and “Possession & Use of Tobacco by Students” (JICG) for further information.

## Parent Signature Sheet

The Bennett 2019-2020 Parent/Student Handbook will be distributed electronically for the 2019-2020 year. Families will have access to the handbook via the Bennett website, <http://www.psdschools.org/schools/bennett>. It will also be sent as an attachment to the August 29th newsletter.

Please sign and return this note.

\_\_\_\_ I have received the Bennett 2019-2020 Parent/Student Handbook electronically.

\_\_\_\_ I need a printed copy of the Bennett 2019-2020 Parent/Student Handbook.

\_\_\_\_ I have read and understand the early dismissal due to inclement weather policy on page 9 in this handbook.

Student Name \_\_\_\_\_ Grade \_\_\_\_\_

Parent/Guardian Signature \_\_\_\_\_

Date \_\_\_\_\_

Please return to school by Friday, August 30, 2019.
