5. The [Bronco StamREAD](#) is coming (October 17-28)! This is our read-a-thon event. Bennet Students can fundraise for the BCO by reading. Students raised over \$18,000 dollars last year and our goal this year is \$20,000. More info about the StamREAD will be sent out as the details come together.

One way that parents and guardians can help with the StamREAD, and future events, is by soliciting donations from local businesses. Donations for StamREAD raffle prizes will especially appreciated. Take a look at our [StamREAD webpage](#) to see some of the businesses that donated in the past. IF you know of a business that would like to donate or would like to help BCO solicit donations, please reach out to your [BCO Officers](#).
