

The Little Librarian is Back!

Last summer, students joined the Little Librarian challenge and took me on all their summer reading adventures. The results were amazing! Bennett Broncos read on horses and near lakes. They read while visiting caves, floating on paddleboards, and touring Mt. Rushmore. I even visited Paris, France!

This year I'm looking forward to more amazing adventures, and by the way I'm dressed, you can tell I'm ready for anything!

How can *you* take the librarian on vacation? Print out this sheet, cut out the picture of me, and take the #littlelibrarian with you on your summer fun. Have someone snap a picture of you reading with your #littlelibrarian, and share it using the links below.

We'll post your pictures on the Bennett Facebook page and Instagram throughout the summer, and celebrate all readers when we return in the fall.

Where will YOU read with Mrs. Larson? We can't wait to find out!

Use the link, or scan the QR code to share your entry!
