

Every year, the Bennett Community Organization (BCO) organizes a fundraiser known as the Bronco Stampede. This is the main fundraising event for Bennett Elementary. BCO uses money raised from the Stampede to support our teachers and staff!

**Our goal this year is \$25,000.**

Proceeds from the 2019 Bronco Stampede will be used to assist teachers and staff with learning materials, field trips and student programs. IF WE MEET OUR GOAL, each Bennett teacher will receive \$100 for their classroom.

If you'd like to volunteer, you must be registered as a volunteer with Poudre School District. To register, please use this link: <https://www.psdschools.org/community/volunteers>. If you are already registered, Teri Mayeda will send an invitation via email to Sign-Up Genius. If you did not receive the invitation but would like one, please email Teri at [tmayeda@gmail.com](mailto:tmayeda@gmail.com).

All students will receive a bright T-shirt to wear during the Stampede!
